Service

Valley Lodge is synonymous with comfort, romance, quality family time, team building and conferences, and the exclusive Spa at Valley Lodge offers a comprehensive range of treatments designed to restore a sense of balance and wellbeing in leisure as well as conference guests.

Spa

Non-residing guests are welcome to book for lunch and treatments at the Valley Lodge Spa, whilst overnight guests seem delighted with the gym, and the use of new steam rooms, sauna and Jacuzzi complementing the world-class Spa - at

a nominal fee. Contact the hotel for information on the special conference and team building Spa packages on offer.

The Spa incorporates Skin Sphere technological products, created in South Africa and recognised globally for utilising science and nature as its model for purity, harmony and balance. Biological ingredients and plant extracts, in its purest form, are the basis of all these formulas to maximize skin benefit while minimizing reactivity.

Facilities and Activities

The intimate ambience of the refurbished Saunders Bar, comfort food at the traditional Sunday lunches (ideal for city-dwellers needing a scenic drive and lunch in the country) and soothing sound of birdsong in their natural habitat (over 356 species recorded thus far) make for an ideal country escape in this unique setting on the private banks of the Magalies River.

The elegant new rooms and luxurious refurbishments that have been completed at Valley Lodge & Spa over the past years are proving a major attraction for guests wishing to be indulged in comfort and tranquillity, only an hour's drive from Johannesburg and Pretoria.

Fly-fishing lessons and private picnics for overnight guests at the hotel as well as popular attractions in the historical Magaliesberg, such as Cradle of Humankind, Rhino & Lion Park, Magalies Meander, Sun City and hot air ballooning, complement this timeless country hotel.

Spring at Valley Lodge & Spa near Magaliesburg is promising a delectable feast. The luxurious state-of-the-art La Cigale Spa, Sunday lunches, picnic, bird watching and fly-fishing activities make for the ideal getaway from city stress at this established country hotel.
